

EPI ELECTRICAL PANEL GENERATION 2

EPI 8 16A G2

**EPI ELECTRICAL PANEL GENERATION 2****EPI 8 16A G2**

NAMN	EPI 8 16A G2	PRODUKT EAN	7330701031519
ART. NR	54361	TULL TARIFKOD	85369095
ENUMMER	2502090		
BREDD	483 MM		
FÄRG	BLACK		
URSPRUNGLAND	CHINA		

Teknisk information och certifikat

EPI G2 is a range of PDU: s that can be used alone as reliable power distribution unit without any monitoring functionality.

The PDU can be fitted with a monitoring module (EPI MM G2) for local and remote monitoring through TCP/IP or ampere module (EPI AM G2) for local ampere reading.

EPI PDU

- PDU with C13 outlets in multiple configurations.
- Multiple inlet options.
- PDU will provide power regardless if a monitoring module is fitted or not.
- Possible to add EPI MM monitoring module or EPI AM ampere module.
- Custom configuration of inlet and outlet available on request.
