EPI ELECTRICAL PANEL GENERATION 2

EPI AM 3 G2

EPI ELECTRICAL PANEL GENERATION 2

EPI AM 3 G2

NAME	**EPI AM 3 G2**	PRODUCT EAN	**7330701031595**
ART. NO.	**54369**	CUSTOMS TARIFF CODE	**85369095**
EAN	**2502098**		
COLOUR	**BLACK**		
COUNTRY OF ORIGIN	**CHINA**		

Technical information

EPI G2 is a range of PDU: s that can be used alone as reliable power distribution unit without any monitoring functionality.
The PDU can be fitted with a monitoring module (EPI MM G2) for local and remote monitoring through TCP/IP or ampere module (EPI AM G2) for local ampere reading.

EPI AM, AMPERE MODULE

- EPI AM is available in two versions, one for 1 phase PDU:s and on e for 3 phase PDU:s

- EPI AM 1 G2 - for 1 phase PDU:s
- EPI AM 1 G2 - for 3 phase PDU:s

- Possible to fit EPI AM ampere module for local reading of:
- Total load current (A)
